Sir,

Constructing the New District Board Office Building at Mysore.

I have the honour to bring to your kind notice that an estimate for Rs.36,700/- was sanctioned for the construction of the above building near the Law Courts at Mysore. The amount was made payable in 3 instalments at 15,000/-, 15,000/- and 6,700/-. The Ist two sums having been made available in the Budgets of 1940-41, 1941-42 were paid by Cross Cheques. The estimate includes the water-supply and Sanitary arrangements and also supply of Electric Fittings to the Building.

The Civil position of the Building is almost completed and the Assistant Engineer in charge of the Head-Quarter Range who is also in charge of this Building is pressing for the balance of Rs.6,700/- which the District Board proposed to pay in 1942-43 by providing this much in the ensuing District Board Budget for sanction.

In the meanwhile detailed estimates for water-supply for Rs.985/- against Rs.850/- provided in the original Estimate as Lump Sum for water-supply and Sanitary Works and Electrict Fitting for Rs.2,490/- against Rs.500/- have been received for countersignature. This excess is stated to be for international changes due to war and I have countersigned them in due course The Balance at the credit of the District Board at present is also very small (Rs.20,123/-) at the end of December 1941).

Engineer, Hd Dr Range Inspns
